## BY DIVYA R - CLASS XI

Thinking about the good time had  
In the lovely flower bed  
With all the floral petals  
Spread all over the green floor  
Having adored of the time lot

With aroma of sweet pea..  
Diffusing all the way in air  
Along blossoming  
cherry

Fragrances pink droplets  
Having pleased of the time lot

With the pure blue water- falls  
Giving pleasure melodies  
Influencing the green floors  
In a state of peace and harmony  
Having delighted of the time lot

Touring as a free bird  
Wandering the infinite sky  
Passing through whitish clouds
